FLINT TOWNSHIP, MI – Mom could get a free mammogram this Mother's Day.

Regional Medical Imaging in Flint will host Mamms Save Moms on May 12, where women who are eligible can get a mammogram for free.

The event is part of Regional Medical Imaging's launch of its free mammogram days, which will take place during the second week in February, May, August and November.

Appointments will be available to the first 50 women in the area who are uninsured. It is recommended that women have a prescription for a mammogram from a referring physician.

To schedule an appointment, contact Regional Medical Imaging at 810-732-1919. Mammograms will be provided at its facility, located at 3346 Lennon Road in Flint Township.

Dana DeFever can be reached at 810-429-3919 or ddefever@mlive.com. You can also follow her on Twitter [@DanaDeFever](https://twitter.com/DanaDeFever) or subscribe to her on Facebook.
