

**FOR IMMEDIATE RELEASE**

## **RMI dedicates Kristin Krizmanich-Conniff Women's Center in Flint**

**FLINT, MICH. (Sept. 25, 2020)** – Regional Medical Imaging (RMI) is dedicating the women's imaging area of its Lennon Road office as the *Kristen Krizmanich-Conniff Memorial Women's Imaging Center* in honor of the late radiologist on October 10, 2020.

Dr. Krizmanich-Conniff's passing profoundly affected RMI. CEO Dr. Randy Hicks said her value to the organization was immeasurable, but he pointed out her impact on the lives of thousands of women in the mid-Michigan area was even more important.

Diagnosing breast cancers in early stages has saved lives, a task Dr. Krizmanich-Conniff undertook with characteristic grace, warmth, and a bright smile. "This spirit will live on," Dr. Hicks said, "through the work of the dedicated team at this center named after her."

Dr. Krizmanich-Conniff joined RMI in 2012 following a breast imaging fellowship at Henry Ford Hospital in Detroit from 2011-2012. It was her grandmother's death from breast cancer that initially motivated her attendance at Wayne State University medical school. Her goal was make a difference in the fight against breast cancer.

At RMI, she was involved in the development of the Screening Breast MRI program as well as monthly multidisciplinary meetings to discuss cancer patient cases. She was also instrumental in RMI's continual drive to adopt the latest breast imaging technology. Dr. Krizmanich-Conniff was passionate about the quality of care our patients received and was instrumental in leading our team in quality standards.

The news media is cordially invited to attend this dedication event at the main office, 3346 Lennon Road, Flint. Please contact marketing for more details about this dedication and the opportunity to discuss the fight against breast cancer with our dedicated clinical team.
